Thank for the update Tom.

With this in mind I'm hoping we can get a feel for the completeness of the pre-review package we've received ASAP. I've gone through the Program Description folder and it appears we have documents for all the requirements part a-j along with the SHPO OA, FWS/FWC MOU, and crosswalk as appendix j-1 through j-3. I feel pretty confident that all the pieces are here but welcome others to review the PD folders.

The one folder that could use another look is "F_State Statutes and Regulations". I'd prefer if attorneys could take a look to make sure this includes everything we need.

Once F is checked for completeness we'll only need to receive the package with Gov Letter and ensure it contains all the files of the pre-review.

I just had a 5-second conversation (literally) with Jeaneanne and she told me the Governor signed the letter, and then she had to jump-off. I anticipate FDEP will be sending this today via an overnight package, and if so, I anticipate that we'll get it tomorrow. Stay tuned...Tom
